Description

Product Description*

Elevate your living space with this contemporary geometric area rug that beautifully combines form and texture. The design features a repeating motif of full and partial circles, layered with linear ribbed textures inside some segments, creating subtle contrasts of light, shadow, and dimension. Neutral tones of beige, cream, grey (or your specific colour) blend effortlessly with both warm and cool interiors, making this rug a versatile anchor for your décor.

□ Key Features*

1. Overlapping circles & semi-circles pattern for geometric interest Ribbed / linear texture inside some circular shapes adds visual depth.
2. Neutral colour palette—works with a variety of interior styles.
3. Medium-pile / cushioned feel underfoot, yet stable under furniture.
4. Durable edges (bound / reinforced) to prevent fraying.
5. Non-shedding (if appropriate), pet-/child-friendly depending on material.
