Thickness: 10-12 mm

Description

Product Description

Transform your living space with the bold design of the Geometric Tribal Area Rug from The Woven Legacy. Inspired by traditional geometric motifs and reimagined for contemporary interiors, this rug showcases a dynamic arrangement of arrows, diamonds, and angular patterns.

The ivory base creates a bright, versatile foundation, while the charcoal grey pattern adds definition and visual interest. Its balanced neutral colour palette works beautifully with wooden flooring, modern furniture, minimalist décor, and monochrome interiors.

Place it in your living room, bedroom, lounge, or home office to create an eye-catching focal point. Whether paired with neutral upholstery or contrasting decorative accents, this geometric area rug brings personality and sophistication to your home.

Key Features

Geometric Tribal Design: Repeating arrow, diamond, and zigzag motifs.

Classic Neutral Colours: Ivory and charcoal grey for versatile styling.

Contemporary Appeal: Combines tribal-inspired patterns with modern geometric design.

Versatile Placement: Suitable for living rooms, bedrooms, and home offices.

Statement-Making Style: Adds contrast, pattern, and character to your interior.
