Description

Product Description:

Elevate your home with this Abstract Organic Floral Area Rug, where freeform botanical shapes create a nature-inspired masterpiece. The layered pattern features soft beige, stone gray, ivory, and olive green accents, making it a perfect fit for bohemian, contemporary, or earthy interiors. Crafted for both style and durability, this rug adds visual interest and cozy texture to living rooms, bedrooms, dining areas, and home offices. Its soft pile and easy-to-maintain construction make it as functional as it is beautiful.
